This acquisition would have a large negative effect on the area that I live in. Division & Grayland Streets would see an ~~increase~~ increase of trains from 18 to 42 a day. This would cause traffic congestion, noise and deteriorating road problems just to name a few. Our property values would fall and the likelihood of a toxic spill would be so much greater.

The congestion just from school bus traffic in Joliet, Plainfield and Crest Hill is just mind boggling.

There was interest in running a commuter line from the North suburbs to the Western suburbs which would be more beneficial to the area.

Does Mayor Daley wanting the ~~the~~ trains out of Chicago for the Olympic's put this in our backyard?

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
